Sommario/riassunto	President Julius Kambarage Nyerere was the first President of the United Republic of Tanzania and Founder of the Nation. He came into power through the ballot in a democratic process held in 1961, and remained in power for more than two decades. Mwalimu Nyerere was a gifted and morally upright man. He was a true son of Africa and a PanAfricanist, a nationalist, charismatic orator, steadfast thinker, diplomat and above all a teacher. He chose to be called simply 'Mwalimu' and 'Teacher'. Throughout his term of office he gave hundreds of speeches; some were prepared in advance others given extemporaneously.
