Nota di contenuto	pt. I. The renaissance of China and India -- pt. II. Chinese perspective -- pt. III. Indian perspective.
Sommario/riassunto	This book provides new perspectives on recent Asian dynamism which go beyond the mainstream views, by attempting to situate the recent economic expansion within a broader analysis of capitalist accumulation and the various processes that it generates both within and across economies. The contributions in the book include analyses of recent growth patterns in both China and India; assessments of the sustainability of such growth and potential constraints and pitfalls; the role of international finance in affecting both national and international growth and employment patterns;
