

1. Record Nr.	UNINA9910809239003321
Autore	Stratton Charles W
Titolo	Clinical microbiology : quality in laboratory diagnosis // Charles W. Stratton
Pubbl/distr/stampa	New York, : Demos Medical Pub., c2012
ISBN	1-283-32109-2 9786613321091 1-61705-048-2
Edizione	[1st ed.]
Descrizione fisica	1 online resource (164 p.)
Collana	Diagnostic standards of care series
Disciplina	616.9/041
Soggetti	Medical microbiology Diagnostic microbiology - Quality control
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. [115]-146) and index.
Nota di contenuto	Pre-analytic errors in the clinical microbiology laboratory -- Analytic errors in the clinical microbiology laboratory -- Post-analytic errors in the clinical microbiology laboratory.
Sommario/riassunto	Diagnostic Standards of Care Series Description: A key issue for every laboratory and individual laboratory practitioner is the assessment of risk and a current working knowledge of the standards of care established for diagnostic testing via guidelines, major studies and trials. The Diagnostic Standards of Care series presents an overview of the key diagnoses in clinical pathology using case examples to illustrate effective analysis of the case in light of current evidence and standards for the problem discussed. In addition to being practical diagnostic guides, these volumes will have a uniq
