Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and indexes.
Nota di contenuto	part I. Mechanisms -- part II. Implications -- part III. Interventions -- part IV. Reflections.
Sommario/riassunto	The collected papers from the most prestigious symposia in the field of child development provide scholars, students, and practitioners with access to the work of key researchers in human development. This volume focuses on changes in our understanding of cogisnitive control processes-constructs important to the field since Wundt and Freud. Our understanding of these constructs has advanced dramatically in recent years-both empirically and conceptually. This collection brings generalists and specialists alike up-to-date on this central process of human development and the implications for this
