Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Book Cover; Title; Copyright; Contents; Foreword; Supporting Statements; Overview; Chronic Respiratory Diseases; Risk Factors for Chronic Respiratory Diseases; Stepwise Framework for Action; References; Annex
Sommario/riassunto	Chronic respiratory diseases, such as asthma and chronic obstructive pulmonary disease, kill more than 4 million people every year, and affect hundreds of millions more. These diseases erode the health and

well-being of the patients and have a negative impact on families and societies. This report raises awareness of the huge impact of chronic respiratory diseases worldwide, and highlights the risk factors as well as ways to prevent and treat these diseases.
