Sommario/riassunto	The aim of the book is to explore the long-standing and multi-faceted relationship between Scotland and the societies and cultures of the European continent, in various epochs and from a large diversity of view points and problematics. The book collects most of the contributions from the IVth annual conference of the Societe Francaise d'Etudes Ecossoises, held in Toulon in October 2005. This international conference gathered fifty European academics, working in a wide range of research field...
