Sommario/riassunto

Managing Indonesia's Transformation: An Oral History is an account of Ginandjar Kartasasmita's career in the Indonesian government, both under President Suharto and in the post-Suharto era. Based on all the ministerial positions in which Kartasasmita has served the government, the book provides readers candid insights into the domestic and international political and economic contexts in which decisions were made, and how policies were formulated and implemented in Indonesia. The book contains many hours of interviews in which the author responds - as frankly as he can - to all sorts of question
