Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. Solid tumors -- pt. 2. Leukemia -- pt. 3. Supportive care in pediatric oncology.
Sommario/riassunto	This book is updated with evidence from the latest published reviews and is more clinically focused, with an emphasis on application of the trial findings. With increased coverage of trials in the area of supportive care for pediatric cancer patients, each chapter opens with a clinical question and concludes with a summary on the trial findings from an expert commentator.
