Rock: The Last Guy You'd Have Figured? -- 12. Reading Fassbinder's Sexual Politics -- 13. Idol Thoughts: Orgasm And Self-Reflexivity In Gay Pornography -- 14. Homosexuality And Heritage -- Index.
Sommario/riassunto	For around a hundred years up to the Stonewall riots, the word used for gay men was 'queers'. In The Culture of Queers, Richard Dyer traces the contours of queer culture, examining the differences and continuities

with the gay culture which succeeded it. Opening with a discussion of the very concept of 'queers', Dyer asks what it means to speak of a sexual grouping having a culture, and addresses issues such as gay attitudes to women and the notion of camp. From screaming queens to sensitive vampires and sad young men, and from pulp novels to pornography to the films of Fassbinder, *The Culture of Queers* explores the history of queer arts and media.--
