Soggetti	Citizenship - Study and teaching (Higher) - United States Democracy and education - United States Education, Higher - United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	"This book offers a model of civic mission and engagement whereby, through relatively modest investment, colleges can develop reciprocal partnerships with local institutions, civic, and business groups to raise the quality and outcomes of K-12 education, promote local entrepreneurship and community involvement, raise incomes, and increase the attainment of postsecondary education to benefit the wider national economy and colleges around the region and country"-- Provided by publisher.
