What Does It Mean to Be "Just Living Together" in the New Millennium?  
An Overview.

Sommario/riassunto

Based on the presentations and discussions from a national symposia, Just Living Together represents one of the first systematic efforts to focus on cohabitation. The book is divided into four parts, each dealing with a different aspect of cohabitation. Part I addresses the big picture question, "What are the historical and cross cultural foundations of cohabitation?" Part II focuses specifically on North America and asks, "What is the role of cohabitation in contemporary North American family structure?" Part III turns the focus to the question, "What is the long- and short-term i
