Culture and Self in the Domestic Cat; 8. Animals in the Future of Sociology; Afterword; Notes; References; Index Even people who live with cats and have good reason to know better Sommario/riassunto insist that cats are aloof and uninterested in relating to humans. Janet and Steven Alger contend that the anti-social cat is a myth; cats form close bonds with humans and with each other. In the potentially chaotic environment of a shelter that houses dozens of uncaged cats, they reveal a sense of self and build a culture-a shared set of rules, roles. and expectations that organizes their world and assimilates

newcomers. As volunteers in a local cat shelter for eleven years, the

Algers came to realize that despite the frequency
