care providers in the wake of welfare reform / Ellen Reese -- Sex and
(evacuation from) the city : the moral and legal regulation of sex
workers in Vancouver's West End, 1975-1985 / Becki Ross -- Caring
everywhere / Viviana Zelizer -- More intimate unions / Dorothy Sue
Cobble.

Sommario/riassunto

This book advances debates over the relationship between care and
economy through the concept of intimate labor-care, domestic, and
sex work-and thus charts relations of race, class, gender, sexuality,
and citizenship in the context of global economic transformations.
