ecumenism -- Epilogue : political ecumensim, 1945-2005.

---

Sommario/riassunto

Adams examines the contributions of such major Français libres as René Cassin, Pierre Mendès France, and Jacques Soustelle and explores de Gaulle's troubled relations with Churchill and Roosevelt. The opportunity for Gaullists to offer full membership to the fourth religious family, Algeria's Muslim majority, following the liberation of French North Africa is also considered. In an epilogue, Adams reflects on the impact of Free France's political ecumenism in the postwar era.
