Nagler; Glossary; Notes; Index
Sommario/riassunto	Among the oldest of India's spiritual texts, the Upanishads are records of intensive question-and-answer sessions given by illuminated sages to their students - in ashrams, at family gatherings, in a royal court, and in the kingdom of Death. The sages share flashes of insight, extraordinary visions, the results of their investigation into consciousness itself. The Upanishads have puzzled and inspired wisdom seekers from Yeats to Schopenhauer. In this best-selling translation, Eknath Easwaran makes these challenging texts more accessible by selecting the passages most relevant to read

2. Record Nr.	UNINA9910809664903321
