Sommario/riassunto	Blush of Dogs A series of vicious civil wars has ended. A small city state half way across the world rebuilds itself in the ashes. Blush of Dogs is a play about conflicting freedoms and the desire to break repressive cycles. Inspired by contemporary life and adapted from the myth of Thyestes, private struggles clash in the shadows of intense public scrutiny. 5 out of 10 Men A visceral, playful and raucous piece about mental health, 5 Out of 10 Men plunges deep into the pitfalls of modern masculinity. Rooted in true experiences and deep exploration, it invites us to be open, to journey unabashedly into ourselves, as one wounded man weaves a confessional hymn to his dead brother, a new consciousness blooming as he is torn between the man he is and the man he strives to be.
