| Nota di contenuto | Financial systems and reform in the Gulf Cooperation Council countries / Abdelali Jbili, Vicente Galbis, and Amer Bisat -- Labor market challenges and policies in the Gulf Cooperation Council countries / Cyrus Sassanpour ... [et al.]. |
| Sommario/riassunto | This volume comprises two separate papers on key structural aspects of the reform process in the Gulf Cooperation Council countries. The first paper addresses issues related to financial intermediation and reform in the context of the evolving economic environment in the GCC countries. The second discusses the labor market challenges and policy issues in the GCC countries and their implications for the Middle East and North Africa (MENA) region. |
