Sommario/riassunto

A Companion to Augustine presents a fresh collection of scholarship by leading academics with a new approach to contextualizing Augustine and his works within the multi-disciplinary field of Late Antiquity, showing Augustine as both a product of the cultural forces of his times and a cultural force in his own right. Discusses the life and works of Augustine within their full historical context, rather than privileging the theological context Presents Augustine's life, works and leading ideas in the cultural context of the late Roman world, providing a vibrant and eng
