Nota di contenuto	The community college landscape -- Funding: where the money comes from, where it goes, and why there's never enough -- Community college administration: who does what -- Herding cats: managing creative people -- Other challenges of the dean's job -- Saving community colleges: a few modest proposals -- Conclusion: questions of sustainability.
Sommario/riassunto	Those who lead community colleges and those who aspire to lead them will discover keen insights from this frank discussion of the particular issues that are unique to community college administration. This timely book offers realistic advice on how to handle the challenges-current and future-that such leaders must grapple with. Matthew Reed, the formerly anonymous author of Inside Higher Ed blog Confessions of a Community College Dean, describes the current landscape of community college leadership and addresses some of the fundamental questions that face community colle
