The Market Versus Planning and Controls: Which Strategy Works Better?; Final Thoughts and Suggested Readings; Index; About the Authors
Sommario/riassunto	Now revised and updated to reflect critical changes in economic policy since the last edition, Macroeconomic Issues Today, Eighth Edition,

provides Conservative, Liberal, and Radical interpretations and solutions for seven current macroeconomic issues, including all-new coverage of the Social Security debate. An instructor's manual with a test bank and discussion questions is available to professors who adopt the text, and PowerPoint downloads are available as teaching aids.
