## Sommario/riassunto

Hitler and Nazi Germany provides a concise introduction to Hitler's rise to power and Nazi domestic and foreign policies through to the end of the Second World War. Combining narrative, the views of different historians, interpretation and a selection of sources, this book provides a concise introduction and study aid for students. This second edition has been extensively revised and expanded and includes new chapters on the Nazi regime, the SS and Gestapo, and the Second World War. Expanded background narratives provide a solid understanding of the period and the ana
