

1. Record Nr.	UNINA9910809802303321
Autore	Zuse Horst <1945->
Titolo	A framework of software measurement / / Horst Zuse
Pubbl/distr/stampa	Berlin ; ; New York : , : Walter de Gruyter, , 1998
ISBN	3-11-080730-0
Edizione	[Reprint 2012]
Descrizione fisica	1 online resource (784 p.)
Disciplina	005.1/4
Soggetti	Software engineering Software measurement
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (pages [707-735]) and indexes.
Nota di contenuto	Front matter -- Preface -- Acknowledgments -- Contents -- 1 Introduction -- 2 Aspects of Software Measurement -- 3 History of Software Measurement -- 4 Foundations of Software Measurement I -- 5 Foundations of Software Measurement II -- 6 Measurement Theory and Object-Oriented Software Measures -- 7 Desirable Properties of Software Measures -- 8 Validation of Software Measures and Prediction Models -- 9 Applications of Software Measures -- 10 Afterword -- 11 Solutions of Exercises -- 12 Glossary of Terms and Terms used as Synonyms -- Attachment I: The System ZD-MIS -- Attachment II: Proof of the Equivalence of Extensive Structures -- Attachment III: Proof of the Theorems of Chapter 8 -- Attachment IV: Proof of the Theorems of Chapter 5 -- Attachment V: Notations and Used Symbols -- Attachment VI: Axioms Systems -- Definitions -- Theorems -- Exercises -- References to Literature -- Name Index -- Subject Index -- Backmatter
