#### Sommario/riassunto

In Italy in the Era of the Great War, Vanda Wilcox brings together nineteen Italian and international scholars to analyse the political, military, social and cultural history of Italy in the country's decade of conflict from 1911 to 1922. Starting with the invasion of Libya in 1911 and concluding with the rise of post-war social and political unrest, the volume traces domestic and foreign policy, the economics of the war effort, the history of military innovation, and social changes including the war's impact on religion and women, along with major cultural and artistic developments of the period. Each chapter provides a concise and effective overview of the field as it currently stands as well as introducing readers to the latest research. Contributors are Giulia Albanese, Claudia Baldoli, Allison Scardino Belzer, Francesco Caccamo, Filippo Cappellano, Selena Daly, Fabio Degli Esposti, Spencer Di Scala, Douglas J. Forsyth, Irene Guerrini, Oliver Janz, Irene Lottini, Stefano Marcuzzi, Valerie McGuire, Marco Pluviano, Paul O'Brien, Carlo Stiaccini, Andrea Ungari, and Bruce Vandervort.

Nota di contenuto	An indirect Italian angle on a few big historical questions -- Franchini's disillusionment : rereading the Intervista su Croce from abroad -- The revolt against Croce in post-Second World War Italian culture -- Croce in America : influence, misunderstanding, and neglect (with a supplement on the fortunes of Giovanni Gentile in the United States and Canada) -- Historicism, liberalism, fascism : rethinking the Croce-Gentile schism -- Maggi's Croce, Sasso's Gentile, and the riddles of twentieth-century Italian intellectual history -- How not to think about fascism and ideology, intellectual antecedents and historical meaning -- Croce, Crocean historicism, and contemporary history after fascism -- Crocean historicism and post-totalitarian thought -- What is living and what is dead? Ginzburg's microhistory, Croce's historicism, and the search for a postmodern historiography -- The stakes of misreading : Hayden White, Carlo Ginzberg, and the Crocean legacy -- Postmodernism and history : an unfinished agenda.
Sommario/riassunto	"During the early decades of the twentieth century, Italy produced

distinctive innovations in both the intellectual and political realms. On the one hand, Benedetto Croce (1866-1952) and Giovanni Gentile (1875-1944) spearheaded a radical rethinking of historicism and philosophical idealism that significantly reoriented Italian culture. On the other hand, the period witnessed the first rumblings of fascism. Assuming opposite sides, Gentile became the semi-official philosopher of fascism while Croce argued for a renewed liberalism based on 'absolute' historicism." "In *Historicism and Fascism in Modern Italy*, David D. Roberts uses the ideological conflict between Croce and Gentile as a basis for a wider discussion of the interplay between politics and ideas in Italy in the twentieth century. Roberts examines the connection between fascism and the modern Italian intellectual tradition, arguing that the relationship not only deepens our understanding of generic fascism and liberalism but also illuminates ongoing dangers and possibilities in the wider Western world. This set of twelve essays by one of the leading scholars in the field represents an authoritative view of the modern Italian intellectual tradition, its relationship with fascism, and its enduring implications for history, politics, and culture in Italy and beyond."--Jacket
