Sommario/riassunto	Written by Joseph L. Henderson, one of the first generation of Jungian analysts, and Dyane N. Sherwood, a practising analyst, this book is a striking and unique contribution to the resurgence of interest in alchemy for its way of representing the phenomenology of creative experience. Transformation of the Psyche is organized around 22 illuminated paintings from the early Renaissance alchemical manuscript the Splendor Solis, and is further illustrated by over 50 colour figures. The images of the Splendor Solis are possibly the most beautiful and evocative alch
