Nota di bibliografia Includes bibliographical references. COVER; TITLE; COPYRIGHT; CONTENTS; ABBREVIATIONS; Nota di contenuto Acknowledgements; Summary; Introduction; Conclusions; Annexes Sommario/riassunto The World Health Organization (WHO) has published an annual report on global control of tuberculosis (TB) every year since 1997. The main purpose of the report is to provide a comprehensive and up-to-date assessment of the TB epidemic and progress made in TB care and control at global, regional and country levels. This fifteenth annual report contains more up-to-date information than any previous report in the series, following earlier data collection and the completion of the

wealth of information as previous reports in the

production cycle within a calendar year. This report includes the same
