Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. Personal qualities -- pt. 2. Professional dilemmas.
Sommario/riassunto	In the first part of the book - 'Personal Qualities' - we are reminded that Psychotherapy means 'Healing the Soul', and that the healer has a moral responsibility for the state of his own mental health as well as the patient's. The second part - 'Professional Dilemmas' - discusses ethical values, and the author's conviction that moral amorphism has caught hold of the psychotherapy movement.
