Soggetti	Personality assessment
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di bibliografia	Includes bibliographical references at the end of each chapters and index.
Sommario/riassunto	"The Wiley Handbook of Personality Assessment presents the state-of-the-art in the field of personality assessment, providing a perspective on emerging trends and placing these in the context of recent research advances. Linking theory with practice, the volume delineates current developments in theoretical conceptualisations affecting personality assessment, and charts the way forward for potential applications of these emergent research insights. The handbook brings together an international group of distinguished contributors from 17 countries on five continents, to tackle key issues in personality assessment across a range of approaches and contexts. This multi-national authorship enhances the content by bringing critically important cross-cultural perspectives and diversity across the subject"--
