Sommario/riassunto	Academic discourse has recently become a blooming field of research for linguists interested in genre and discourse analysis, as well as pragmatics. The methodology and conventions employed in academic discourse, however, vary across cultures to a certain degree, and often represent obstacles for publishing in international journals for authors whose native language is not English, as top journals tend to centre on the Anglo-Saxon academic writing norms. This is one of the major reasons why national academic discourses need to be linguistically profiled and studied and contrastively compared a
