Sommario/riassunto	Society today often fails to hear the wake-up call embedded in the happenings of the world, which, in many ways, are driven by technology and concerns of profit at the cost of human lives, especially the lives of children. It is important to protect children and strengthen their voices, which are often muffled or silenced by abuse, victimization, crime, domestic abuse, abandonment, poverty, labour, wars, pornography, crime and similar atrocities. This collection of papers presented by international experts at a global conference titled "Giving Children a Voice - The Transforming Role of the Fam
