Sommario/riassunto

A Companion to 19th-Century America is an authoritative overview of current historiographical developments and major themes in the history of nineteenth-century America. Twenty-seven scholars, all specialists in their own thematic areas, examine the key debates and historiography. A thematic and chronological organization brings together the major time periods, politics, the Civil War, economy, and social and cultural history of the nineteenth century. Written with the general reader in mind, each essay surveys the historical research, the emerging concerns, and assesses the future dire
