Nota di contenuto	section I. Concepts and issues -- section II. Applying writing research -- section III. Researching writing -- section IV. References and resources.
Sommario/riassunto	This book provides an authoritative, readable and up-to-date guide to the major themes and developments in current writing theory, research and teaching. Written in a clear, accessible style, it covers theoretical and conceptual issues, addresses current questions and shows how research has fed into state-of-the-art teaching methods, practices, materials and software applications. Thoroughly updated and revised, this second edition also contains a new chapter on important issues in writing such as genre, context and identity. The book includes: Suggestions for teaching app
