| Sommario/riassunto      | Amglish in, Like, Ten Easy Lessons: A Celebration of the New World Lingo, by Arthur Rowse and with illustrations by John Doherty, describes how Amglish, or American English influenced by online grammar and syntax, has begun to dominate our global language. Featuring an ironic manual on how to use this developing language, Amglish is a light and highly entertaining addition to the recent literature on grammar and punctuation. Illustrated with original drawings throughout, the book |
