Titolo	A tragedy of democracy : Japanese confinement in North America // Greg Robinson
Pubbl/distr/stampa	New York, : Columbia University Press, c2009
ISBN	1-280-59974-X 9786613629586 0-231-52012-3
Descrizione fisica	1 online resource (408 pages)
Classificazione	NQ 5340
Disciplina	940.53/1773
Soggetti	Japanese Americans - Forced removal and internment, 1942-1945 Japanese Americans - Pacific States - Social conditions - 20th century Japanese Americans - Government policy - History - 20th century World War, 1939-1945 - Social aspects - United States Japanese - Government policy - Canada - History - 20th century World War, 1939-1945 - Social aspects - Canada Pacific States Race relations History 20th century United States Race relations History 20th century Canada Race relations History 20th century
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Background to confinement -- The decision to remove ethnic Japanese from the West Coast -- Removal from the West Coast and control of ethnic Japanese outside -- The camp experience -- Military service and legal challenges -- The end of confinement and the postwar readjustment of Issei and Nisei -- Redress and the bitter heritage.
Sommario/riassunto	The confinement of some 120,000 Japanese Americans during World War II, often called the Japanese American internment, has been described as the worst official civil rights violation of modern U. S. history. Greg Robinson not only offers a bold new understanding of these events but also studies them within a larger time frame and from a transnational perspective. Drawing on newly discovered material, Robinson provides a backstory of confinement that reveals for the first

time the extent of the American government's surveillance of Japanese communities in the years leading up to war and the construction of what officials termed "concentration camps" for enemy aliens. He also considers the aftermath of confinement, including the place of Japanese Americans in postwar civil rights struggles, the long movement by former camp inmates for redress, and the continuing role of the camps as touchstones for nationwide commemoration and debate. Most remarkably, *A Tragedy of Democracy* is the first book to analyze official policy toward West Coast Japanese Americans within a North American context. Robinson studies confinement on the mainland alongside events in wartime Hawaii, where fears of Japanese Americans justified Army dictatorship, suspension of the Constitution, and the imposition of military tribunals. He similarly reads the treatment of Japanese Americans against Canada's confinement of 22,000 citizens and residents of Japanese ancestry from British Columbia. *A Tragedy of Democracy* recounts the expulsion of almost 5,000 Japanese from Mexico's Pacific Coast and the poignant story of the Japanese Latin Americans who were kidnapped from their homes and interned in the United States. Approaching Japanese confinement as a continental and international phenomenon, Robinson offers a truly kaleidoscopic understanding of its genesis and outcomes.
