Sommario/riassunto	U.S. Supreme Court justices are studied publicly, but scant attention is generally paid to the judges who function daily in other courts of the world. Trends in the Judiciary: Interviews with Judges Across the Globe assembles a collection of interviews conducted by international scholars and researchers. It provides an insider's perspective of how members of the worldwide judiciary cope with significant legal developments and the issues they face in criminal and procedural law.

The subjects of these interviews administer justice in Australia, Austria,  
Bosnia-Herzegovina,
