Jacobs; Decision making using behavioral finance for capital budgeting / Yuri Biondi and Giuseppe Marzo; Merger and acquisition pricing: the valuation of synergy / Rainer Lenz; Multicriteria analysis for capital budgeting / Fernando R. Fernholz.

## Sommario/riassunto

An essential guide to valuation techniques and financial analysis With the collapse of the economy and financial systems, many institutions are reevaluating what they are willing to spend money on. Project valuation is key to both cost effectiveness measures and shareholder value. The purpose of this book is to provide a comprehensive examination of critical capital budgeting topics. Coverage extends from discussing basic concepts, principles, and techniques to their application to increasingly complex, real-world situations. Throughout, the book emphasizes how financially sound cap
