Sommario/riassunto	""A rare and comprehensive examination of the state's political system and a good historical record of the evolution of our state.""- James A. Null University of Colorado at Colorado Springs Colorado has recently been at the center of major shifts in American politics. Indeed, over the last several decades the political landscape has altered dramatically on

both the state and national levels. State of Change traces the political and demographic factors that have transformed Colorado, looking beyond the major shift in the dominant political party from Republican to Democratic to greater
