| Sommario/riassunto | "Take your wound management and treatment skills to the next level with Comprehensive Wound Management, Second Edition. Both physical therapy students and practicing clinicians of varying wound experience will be well prepared to identify and treat a variety of wounds beyond those covered in traditional textbooks such as pressure, neuropathic, venous, and arterial ulcers." "Comprehensive Wound Management, Second Edition by Dr. Glenn Irion is a unique text that covers the spectrum of acute and chronic wounds. This encompassing text includes full color images, as well as chapter discussions on each type of intervention, prevention strategies, and administrative concerns that impact the delivery of wound management services."--BOOK JACKET. |
