Controvert, Or On the Lie; An Interlude with a Critic; The Music of the Principles; The Political World; Good the Enemy of Better?; Keystone to a Whole Personality; Tyrant; Questions Concerning the Dubious Virtue of the Lie; II. Contempt; II. Architect; IV. Brilliance; V. Ambition; VI. Anarchy
Sommario/riassunto	Taking a quizzical, philosophical look at the conundrums life places before us, the author explores paradoxical situations in philosophical dialogues geared to stimulate thought and resonate with the reader's own experiences. Implications regarding politics and politicians, leadership and democracy are investigated along the way.
