Ulmer.

---

**Sommario/riassunto**

This collection of essays pays tribute to director Edgar Ulmer, the so-called 'King of Poverty Row,' whose classic works include *The Black Cat* (1934) and *Detour* (1945). This volume also includes an interview with Ulmer's wife Shirley, as well as the first English translation of an interview with Ulmer conducted in 1965.
