Sommario/riassunto	The philosophy discussed in this volume constitutes the intellectual

and philosophical ideas of the medieval era, from Aquinas and Anselm, the intellectual philosophy of the Judaic and Arabic traditions, the Twelfth Century Renaissance and the philosophical ideas associated with the emergence of the universities. This volume provides a broad and scholarly introduction to the major authors and issues involved in the philosophical discourse of the medieval era, as well as some original interpretations of the philosophical writings addressed. It includes a glossary of technical terms and a
