versus division of labour -- 5.5 The stock exchange and corporate governance -- 5.6 Why doesn't one giant company form in the free market? -- Chapter 6 On the path to socialism: imperialism, bureaucracy and monopolization -- 6.1 Bureaucratization and the market -- 6.2 Remarks on imperialism and class struggle -- 6.3 Monopoly and competition -- Chapter 7 The nature of socialism -- Conclusion -- Notes -- Bibliography.

---

## Sommario/riassunto

An in-depth examination of one of the defining issues that separates capitalism from socialism - the system of ownership, or property rights - which, when explored, highlight fundamental problems in the model of market socialism.
