Sommario/riassunto	In 1939 Hitler went to war not just with Great Britain; he also went to war with the whole of the British Empire, the greatest empire that there had ever been. In the years since 1945 that empire has disappeared, and the crucial fact that the British Empire fought together as a whole during the war has been forgotten. All the parts of the empire joined the struggle and were involved in it from the beginning, undergoing huge changes and sometimes suffering great losses as a result. The war in the desert, the defence of Malta and the Malayan campaign, and the contribution of the empire as a whol
