Sommario/riassunto

Mouton proudly presents this collection of articles considered to be representative of author achievements over the past quarter-century of its publishing history. A selection, of course, can do little more than make the readers wish for more; it is hoped that these volumes will do just that. The book contains essays on Phonology, Morphology, Formal Syntax, Functional Linguistics, Historical Linguistics, Language and Cognition, Language Acquisition, Discourse and Text, Sociology of Language, Semiotics.
