Sommario/riassunto

This is a unique collection of two of the Inklings and their literary associates' views on the negative impacts of technology in various areas of life and the resolution of these impacts through fellowship with others and faith in the Creator. Some of these essays offer suggestions on how ensnarement by social media and surrender to modern technology can be countered by surrender to God. Other essays also demonstrate how the significant literary craft of these authors can enchant readers and invite them into fairylands from which they return empowered and with a keener spiritual vision to tack

Sommario/riassunto

This volume presents critical editions of two previously unpublished missionary accounts of Ayutthaya and the East Indies scene after the 'National' Revolution of 1688 in Thailand: 'Relation de Voyage aux Indes', 1690-99, by Guy Tachard, a French Jesuit; and 'Relatione Distinta delli Regni di Siam, China, Tunchino e Cocincina' (ca. 1707), by Nicola Cima, an Italian Augustinian. These interesting, substantial texts tell us a lot both about the Europeans who were writing them, and about Southeast Asia in a period when information was in much shorter supply than prior to 1688.
