| Sommario/riassunto | ""Continuum's Reader's Guides"" are clear, concise and accessible introductions to classic works of philosophy. Each book explores the major themes, historical and philosophical context and key passages of a major philosophical text, guiding the reader toward a thorough understanding of often demanding material. Ideal for undergraduate students, the guides provide an essential resource for anyone who needs to get to grips with a philosophical text. David Hume is widely considered to be the greatest British philosopher and his ""Enquiry Concerning Human Understanding"" is the most frequently st |
