Sommario/riassunto	Conservatives and Liberals often resort to cartoon images of the

opposing ideology, relying on broadly defined caricatures to illustrate their opposition. To help us get past these stereotypes, this short, punchy book explains the two dominant political ideologies in America today, providing a thorough and fair analysis of each as well as insight into their respective branches. To help us understand the differences between the two contrasting ideologies, Morgan Marietta employs an innovative metaphor of a tree-growth from ideological roots to a core value, expanding into a prob
