Sommario/riassunto	The Hindu World is the most complete, authoritative and up-to-date one-volume guide to Hindu faith and culture available today. With twenty-four dedicated chapters written by the world's leading Hinduism scholars, it elucidates the history, philosophy and practice of one of the world's great religious traditions. The perfect reference for all students of Hinduism, it is ideal for both for introductory-level study and for use

as a definitive reference source. Proving invaluable for its wealth of historical material, in addition, *The Hindu World* also offers new insights into al
