Sommario/riassunto	""The collected case examples are noteworthy in their diversity of presenting issue, treatment format, and outcome. As a whole, they underline our continued need to conduct assessments with clients prior to initiating treatment, to direct treatment toward identified client-related problems (in essence, meeting clients where they are), and to collect data that speaks to the effectiveness of our interventions in many settings and with many types of clients."" - Jennifer Langhinrichsen-Rohling, PhD, Professor of Psychology, University of South Alabama. Shows how to successfully conduct family in
