Involvement in ASEAN Security and Political Issues in the Wake of 9/11
/ Farish A. Noor ; 207.

Sommario/riassunto

This collection of essays presents a nearly comprehensive understanding of Western and non-Western perceptions of the United States since the Second World War. The book does not seek to attack or defend the United States but rather looks to bring sustained attention to the sources of anti-Americanism, its present variety, and its likely trajectory.
