Descrizione fisica	1 online resource (164 pages)
Disciplina	721.04
Soggetti	Architecture - Details Building materials
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	"Floppy Logic is an exploration into the 'architecture' of fashion and textiles, and how the concepts, aesthetics, techniques and construction of this architecture might be understood and used to design and fabricate objects and space differentially. This book explores these territories through physical and digital testing of ideas that begin at the scale of papers and end at the scale of buildings"--Page 4 of cover.
